

**ALDI Cuts Prices on Additional Grocery Items to Make Holiday Entertaining a Breeze**  
*Shop discounted staples for easy holiday food boards during the month of December*

Batavia, Ill., Nov. 28, 2022 – Even more unbelievable savings are happening through the end of the year at ALDI. As shoppers gear up for holiday entertaining at home, ALDI today announced price drops on even more top-selling items throughout the month of December, including cinnamon rolls, bagels, biscuits, cheese and other holiday hosting essentials.\*

What’s even better? The discounted items can help build the ultimate holiday food boards, from breakfast spreads to the ultimate charcuterie mix.

“We realize that expenses add up quickly during the holidays, especially when you’re hosting overnight guests or multiple gatherings,” said Scott Patton, Vice President of National Buying. “With entertaining needs right around the corner, we reduced prices on foods that are great for pulling together an easy breakfast or charcuterie board to hold friends and family over before the big meal. We want our shoppers to know we are focused on giving them the best possible prices so they can worry less about their grocery bills and focus more on spending time with their loved ones.”

The new savings are an extension of the [ALDI Price Promise](#) to be the low-price leader in every community ALDI serves. For five consecutive years, ALDI has been No. 1 for price, according to the Dunnhumby Retailer Preference Index Report, Grocery Edition<sup>1</sup> and there are no signs of slowing down.
