Select Assortment Discount Grocer ALDI Opens Tenth Houston Store May 9
Grocer Introduces Shoppers to Big Savings and Better Quality

Houston, TX – May 1, 2013 – On Thursday, May 9, select assortment discount grocer ALDI will offer Houston shoppers a smarter alternative as it opens its tenth Houston-area store, located at 5855 Hwy. 6 North. This store opening comes on the heels of the first nine stores to open in Houston last month. With more than 1,200 stores in 32 states, ALDI is known for high-quality grocery items at incredibly low prices.

“We are pleased to continue to bring our Houston customers high-quality products at everyday low prices,” said Scott Huska, Denton division vice president for ALDI. “We challenge shoppers to switch from national brands to our high-quality exclusive brands and save up to 50 percent* without compromising. As important as price is, the only way to attract and keep shoppers is to have quality products.”

To celebrate the opening of the Houston-area store, ALDI will host a ribbon-cutting ceremony on Wednesday, May 8 at 11 a.m., to which the public is invited to attend, sample ALDI exclusive brands and tour the new store. Additionally, guests can enter an on-site sweepstakes for a chance to win ALDI gift certificates.

Customers can expect to find more than 1,400 of the most frequently purchased items sold under ALDI exclusive brands for prices up to 50 percent less* than traditional supermarkets. A model of efficiency, ALDI eliminates overhead costs by offering smart practices, such as a cart rental system through which shoppers insert a quarter to release a cart and receive the quarter back upon the cart’s return. Other cost-saving practices include a smaller store footprint, open carton displays and encouragement of customers to bring their own shopping bags.

To ensure its exclusive brands meet or exceed the national brands on taste and quality, ALDI conducts rigorous testing on all products. ALDI stands behind this quality with a Double Guarantee: If for any reason a customer is not 100 percent satisfied with a food product, ALDI will gladly replace the product *and* refund the customer’s money.

ALDI also saves shoppers money by keeping stores open during prime shopping times. The Houston location will be open from 9 a.m. to 9 p.m. Monday through Sunday. ALDI accepts cash, debit and EBT cards.

The Houston store features high ceilings, natural lighting and environmentally friendly building materials – such as recycled materials and energy-saving refrigeration and light bulbs – to ensure that customers enjoy a shopping experience that is simple and easy to navigate.

A grocery retailer that has grown without merger or acquisition, ALDI has more than 1,200 U.S. stores located in 32 states. Over the last several years, ALDI has added approximately 50-80 new stores each year, expanding the ability to bring grocery savings to more people every day.
