In Association with Kanan Enterprises, ALDI Voluntarily Recalls Southern Grove Unsalted Almonds Due to a Product Mislabeling that Created Undeclared Wheat and Soy Allergens

Batavia, Ill. (February 2, 2018) – In cooperation with Kanan Enterprises, and out of an abundance of caution, ALDI has voluntarily recalled Southern Grove Unsalted Almonds. As a result of a packaging error, a limited number of Southern Grove Wasabi Soy Flavored Almonds may have been included in packages labeled Southern Grove Unsalted Almonds. Because of this, the product could contain wheat and soy allergens not listed on the ingredient label, which can cause an allergic reaction in customers who have a wheat or soy sensitivity or allergy.

Upon notification from the supplier, ALDI immediately removed the affected product from its stores.

The potentially affected product is packaged in a 14 oz. bag, with a “best by” date of Sept. 25, 2018 and the UPC code 041498246471.

The affected Southern Grove Unsalted Almonds were available at ALDI locations in the following states:

Florida	Ohio
Illinois	Pennsylvania
Indiana	South Carolina
Kentucky	Virginia
Maryland	Washington, D.C.
New York	West Virginia
North Carolina	

To date, no illnesses related to this product have been reported. No other ALDI products are affected by this recall.

ALDI takes the safety and integrity of the products it sells seriously. If customers have product affected by this voluntary recall, they should discard it immediately or return it to their local store for a full refund.

Consumers who have questions about this recall may contact Kanan Enterprises at 1-800-860-5464 from 8:15 a.m. to 5 p.m. ET Monday through Friday.
